We are trying something different. This year the entire proceedings will be filmed for future viewing and broadcast and parts will be used as part of a documentary. Sharon Rich and attendees will be interviewed. Of course there will be a buffet luncheon, a mini-concert, memorabilia for sale and a few surprises. Tickets are \$45 per person. Please make reservations online at [www.maceddy.com](http://www.maceddy.com) or at the door and please join us for the most memorable Mac/Eddy meeting in DC ever! Seating is limited to please reserve early. Ask for **The Darryl Winston Show** on your local Public Access Station
